The Revenue Act of 1987 requires the following statement to be published: "Membership dues are not deductible as charitable contributions." However, dues may be deductible as a business expense. The Revenue Reconciliation Act of 1993 requires that the AASM disclose the percentage of your dues that relate to nondeductible lobbying expenses. The AASM estimates that in 2017, 2% of your dues will represent such nondeductible lobbying expenses. You will need to reduce any claimed deduction for AASM dues by this amount.
