Employment Opening

Faculty/Physician (Sleep Medicine)
UI Health Sleep Science Center
Division of Pulmonary, Critical Care, Sleep, and Allergy
Department of Medicine
University of Illinois at Chicago
Chicago, IL

The Division of Pulmonary, Critical Care, Sleep, and Allergy and growing UI Health Sleep Science Center is seeking Physicians/Physician Scientists to participate in the clinical, research, and teaching activities of the division. These positions will also be involved in the full range of educational and mentoring activities for students, residents, and fellows through the educational programs of the division.

Practice will include a busy sleep medicine outpatient service, interpretation of polysomnographies and ambulatory sleep testing in the state of the art AASM accredited UI Health Sleep Science Center, and training of fellows in an accredited joint UIC/Jesse Brown VA Medical Center Sleep Medicine Fellowship.

Candidates who are BC/BE in pulmonary and critical care medicine may also participate in pulmonary consult services, MICU services, and provide training for our fully accredited PCCM fellowship. A record of scholarly activity, an active sleep research program or an interest in developing a sleep research program is preferred.

M.D., ABMS BC/BE in pulmonary, critical care and sleep medicine required. Faculty rank/tenure will be commensurate with experience. For fullest consideration, please apply online at: https://jobs.uic.edu/job-board/job-details?jobID=55915&job=faculty-physician-sleep-medicine-department-of-medicine

The University of Illinois may conduct background checks on all job candidates upon acceptance of a contingent offer. Background checks will be performed in compliance with the Fair Credit Reporting Act.

The University of Illinois at Chicago is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans and individuals with disabilities are encouraged to apply.
